HealthCare ConsultLink

Since 1996, HealthCare ConsultLink (HCL) client agencies have relied on our team of experienced professionals to help them navigate the constantly changing regulatory and operational environment. Our consultants and specialists provide consulting and education services across multiple states for hospice, home health, and attendant care agencies. Focus areas covered include clinical, compliance, regulatory, operations, sales and marketing, and mergers and acquisitions. HCL has built a strong reputation by following our core values.

Core Values

INTEGRITY

Be honest. Always do the right thing.

COMPASSION

Show kindness to others in need or distress.

CUSTOMER SATISFACTION

Meet or surpass the customer's expectations.

TEAM ATTITUDE

Create a positive work environment.
Everyone is a vital part of the team.

COMPLIANCE

Exceed the standard.

PROFESSIONALISM

Perform daily activities with high ethical standards and excellence.

COMMITMENT

Loyalty to our clients and to each other.
